

## **Pylon Electronics Inc. – Mississauga**

Pylon Electronics Inc. is a proudly Canadian-owned and operated company, celebrating 70 years of excellence. As Canada's largest calibration company, we have built a strong reputation for the repair and calibration of measuring instruments. With six ISO 17025-certified facilities across the country, we continue to grow and expand our team.

We are currently hiring full-time Calibration Technicians in both Electronics and Mechanical fields for our Mississauga facility. We're looking for skilled, motivated professionals eager to develop new capabilities and contribute to our success. At Pylon, we value our employees, fostering a workplace that prioritizes family, work-life balance, and professional growth.

Join us and be part of a dedicated team driving industry excellence!
